Healthy Window 711 Double-Hung

Lindsay Windows only uses premium materials that not only makes the window look great, but also provides great benefits for you and your home.

Mold Resistant Weatherstrip

The average Healthy Window 711 Double-Hung has over 50' of Gold mold resistant weatherstrip. This specially formulated weatherstrip resists and kills allergy-aggravating microparticles of pollen, fungi, mold, mildew and bacteria. It also helps reduce outside noise and infiltration of exterior gases such as carbon monoxide.

Interlock

The metal reinforced interlock on the Healthy Window 711 Double-Hung is designed to significantly reduce air infiltration. It also helps as a security barrier for your home. The reinforcement provides strength for long-term satisfaction of your windows.

Extruded Screen Frame

The Healthy Window 711 Double-Hung utilizes a heavy duty screen frame. A full screen on all double-hungs and 2-lite sliders is standard.

Tilt-In Window

Your Healthy Window 711 Double-Hung utilizes special hardware for easy cleaning. Both sashes tilt-in for easy cleaning from inside your home.
