## *Double Hung & Slider*

The foundation of the Earthwise Vinyl Window System is the Double Hung window. Traditional beauty and uncompromising strength are just the beginning. Both sashes of the Earthwise Double Hung tilt-in for easy cleaning. Fully weatherstripped components - combined with a proven balance system and fully interlocking rails - make the Earthwise

The elegant, fresh look of the Earthwise Sliding window enhances the natural lighting of your home, while maintaining superior energy performance. Earthwise Sliding Windows glide effortlessly on dual rollers for a smooth easy operation every time. Available in Two-Lite, Three-Lite, and Single Sliders, the Earthwise family of sliding windows will inspire the imagination.

Double Hung a favorite choice for homeowners. Combine Earthwise Double Hungs with Picture Window transoms and Specialty windows to achieve a stunning window wall. Optional internal grilles complete the architectural appeal.

For an economical solution, try the Earthwise Single Hung. The same high quality construction as the Earthwise Double Hung with a fixed upper sash and tilt-in lower sash.

## *Casement & Patio Doors*

Tradition, innovation, and function are combined in the Earthwise Casement window. Sleek and stylish, the contoured sash reflects detailed craftsmanship. Multi-point locking allows for easy operation with just one locking lever. Casement windows open to a full 90° for maximum ventilation and easy cleaning. The same sleek profile is also available in an Awning style window. Alone or in a group setting, Earthwise Casements and Awnings are an expression of your style.

Redefine your living space with a stunning Earthwise Patio Door. With the same high performance standards as our windows, the Earthwise Patio Door is a model of thermal efficiency. All Patio Doors glide smoothly on dual tandem rollers. Add internal grilles and optional brass hardware to complete the look.

# Earthwise

*Bay & Bow*

**T**ransform any room with an Earthwise Bay or Bow Window. All Bay and Bow windows are custom sized to fit any opening. Consult your local Earthwise manufacturer for the look that best matches your décor. Choose from Double Hung or Casement flankers, and add optional contour grilles that provide a warm, inviting appeal to any room.

**C**ombine three or more operating or fixed Earthwise Casement windows into a graceful curving arc. They make small spaces feel bigger and brighter.

# Earthwise

## *Architectural Shapes*

**E**xpress yourself with Earthwise Architectural shapes and designs. Choose from a variety of styles including half-round, quarter-round, arch, circle, oval, octagon, trapezoid and much more. Or customize your home with a one-of-a-kind pattern of your own creation. The possibilities are limited only by imagination.

**A**ll specialty shapes are extruded with the same sleek, contoured frame as the double hung, picture window, casement, and slider and are designed to integrate with the entire family of Earthwise windows. Add a shape, beautify your home, and showcase your own personal style with Earthwise architectural designs.

## Features & Benefits

- **Fusion Welded Frame and Sash:** Provides an impenetrable barrier to air and water penetration and utmost in strength and integrity.
- **Unique Cove Mould Look:** Offers a more traditional wood window exterior appearance.
- **5 Degree Positive Sloped Sill:** Provides water runoff, even in driving rain.
- **Deeply Pocketed Head:** With weather stripping to resist air infiltration.
- **Heavy Walled Construction:** 0.070" walls are a full 12% thicker than most other windows and provide a better thermal barrier.
- **Proven Balance System:** Provides smooth and maintenance free operation of sash.
- **New Soft Curved Sash Design:** Looks more like a traditional wood window sash.
- **Attractive Integral Lift Rail:** Provides easy sash operation.
- **Dual Tilt-in Sashes:** Both sashes tilt in for easy cleaning.
- **Recessed-in Tilt Latches:** Color matched low profile latches for a neat appearance.
- **.75" Insulating Glass System:** For maximum regional thermal efficiency. Optional Low-E coating or Low-E with Argon for additional energy savings.
- **Warm Edge Technology:** Non-Conductive spacer provides barrier to heat transfer in insulating glass unit.
- **Interlocking Meeting Rail:** Integral Interlock provides additional security and has passed AAMA Forced Entry Resistance Test.
- **Die Cast Cam Lock and Keeper:** Cam action actually draws sash closer together for positive lock.
- **Double Night Vent Latches:** Allow for ventilation with security; have passed AAMA Forced Entry Resistance Testing.
- **Two Layers of Weather Stripping:** With double mylar fins for resistance to air and water infiltration.
- **Non-Corrosive Hardware:** Years of trouble free performance, no matter what the environment.
- **Sunshield® Vinyl:** Advanced virgin vinyl window material with a proven weather beating formula.
- **AAMA Certified, NFRC Rated, and Energy Star Approved.**
- **Limited Lifetime Warranty.**

Note: Some features subject to regional availability.

*Strength & Value*

*L*ifetime warrantied vinyl for your peace of mind. All vinyl is not created equal; vinyl is only as good as the technology that goes into it. Earthwise Vinyl Window Systems utilizes only SunShield® vinyl by Dayton Technologies. The Dayton Technologies manufacturing process results in beautiful, bright, strong, weather-resistant vinyl that is colorfast. Our vinyl components meet or exceed performance requirements established and certified by the American Architectural Manufacturers Association (AAMA).

**P**ease of mind, comfort, and dependability. Earthwise Vinyl Window Systems gives you more time to do the things you enjoy.

Standard colors available are  
Linen White and Desert Tan.

*Vinyl Window Systems*

There is strength in numbers. The Earthwise Group is a national network of locally-owned, independent window and door manufacturers. Our network covers the entire United States, but as local and regional demands differ, so do our local organizations. As independent manufacturers, we are flexible and responsive to meet those unique regional needs. Backed by one of the world's largest window extruders, Dayton Technologies, the Earthwise Group consistently meets and exceeds the rigorous standards set by Energy Star®, National Fenestration Rating Council (NFRC), and the American Architectural Manufacturers Association (AAMA). From conception, engineering, and to final assembly, the Earthwise window is made for a lifetime of maintenance free service and is backed by our Lifetime Limited Warranty.
