WINDOW AND DOOR CARE

- Clean frames with a mixture of mild dish soap and water.
- Check to make sure that drainage "weep" holes are clear of dirt and obstacles.
- Abrasive or caustic cleaners are not recommended as they may cause permanent damage to the vinyl finish.
- Chemicals can cause discoloration of the vinyl. Avoid all fuels, solvents, bleaches and corrosive chemicals.
- To avoid scratches in the glass, never use a razor blade, putty knife or abrasive pad to clean the glass.
- Neat® glass is initially more difficult to clean. You must wait for the sun and UV rays to work for Neat® glass to perform. For the first few months, there may be some variations on the glass when it is wet. Over time this will be more uniform.

CHOICE OF LAW AND VENUE

THIS WARRANTY WILL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MINNESOTA, IRRESPECTIVE OF THE CHOICE OF LAWS AND PRINCIPLES OF THE STATE OF MINNESOTA, AS TO ALL MATTERS, INCLUDING MATTERS OF VALIDITY, CONSTRUCTION, EFFECT, ENFORCEABILITY, PERFORMANCE, AND REMEDIES.

ANY AND ALL DISPUTES REGARDING, OR ARISING OUT OF, THIS WARRANTY AND/OR THE PRODUCT SHALL BE RESOLVED IN A STATE OR FEDERAL COURT WITH COMPETENT JURISDICTION LOCATED IN NICOLLET COUNTY, STATE OF MINNESOTA, UNITED STATES OF AMERICA.

Limited Lifetime

WARRANTY STATEMENT

WARRANTY COVERAGE

Effective for windows and doors purchased subsequent to August 1, 2014.

Subject to the conditions and limitations set forth in this Warranty, Lindsay Windows warrants that its DiamondView Windows/doors will be free from defects in material and workmanship that substantially impair their operation or performance for as long as you own and reside in the home in which the windows/doors are initially installed. This warranty is made solely to the original purchaser(s) of the owner-occupied single family home into which the new windows/doors are initially installed (the "Owner"). The following is a more detailed description of the warranties provided herein:

Vinyl The vinyl in our windows is warranted against chipping, cracking, warping, peeling, pitting or blistering.

Hardware Moving parts such as balances, locks, rollers and weatherstrip are covered under the Warranty.

Screens All screen materials, including screen frames and screen mesh, are warranted against defects in material and workmanship that substantially impair their operation or performance. However, screens are designed to keep insects outside of your home, not as barriers to prevent people or items from falling out of the window. Accordingly, damage caused to screens is not covered under this Warranty.

Insulated Glass Units The sealed insulated glass unit is warranted against defects in material and workmanship resulting in material obstruction of vision from film formation caused by dust or moisture in the air space of the insulated glass unit ("Seal Failure"). This is a lifetime non-prorated warranty. Stress cracks are covered for a maximum period of one (1) year after initial installation unless the optional Lifetime Glass Breakage Warranty is purchased.

Minimal glass curvature and minor scratches which do not impair structural or normal vision are not covered under this Warranty. Blinds between the glass are limited to a five (5) year warranty and does not cover levelness.

Commercial or Multi-Family Installation of DiamondView Windows/doors in a structure other than an owner-occupied, single family home will limit the application of the above Warranty and its remedy to a maximum period of ten (10) years from the date of initial installation for all parts of the windows/doors except the glass, which is warranted against Seal Failure for a maximum period of twenty (20) years from the date of initial installation.

WARRANTY CLAIM

ANY OBLIGATION OF LINDSAY WINDOWS UNDER THIS WARRANTY IS CONTINGENT UPON PROPER NOTICE OF CLAIM BY OWNER AND AN OPPORTUNITY FOR LINDSAY WINDOWS TO PERFORM.

Notice of claim should be provided to the dealer or contractor from whom the homeowner purchased the windows/doors, and must include (1) your contact information, (2) proof of purchase with the invoice number (the invoice number is located on the sticker attached to the sash or frame of the window/door), (3) proof of ownership, and (4) a description of the problem (photographs are helpful, although not required). In the event that notice cannot be given to your dealer/contractor, you may contact Lindsay Windows directly for claim service.

Upon receipt of your claim, Lindsay Windows will acknowledge receipt of your claim, investigate, and take appropriate action. Upon request, you must allow for inspection of the product as-installed. Failure to permit such inspection will automatically nullify and void this Warranty. If Lindsay Windows determines the product does not have a defect covered by the Warranty, Lindsay Windows may charge a fee to you for onsite inspection. If Lindsay Windows determines that the claim is valid, Lindsay Windows will provide replacement component(s) as necessary for correction of any defect in material and workmanship that substantially impairs the product's operation or performance to either the dealer, the contractor, or the homeowner, free of charge. Alternatively, if replacement is not practicable or replacement is not reasonably available, then Lindsay Windows in its discretion may choose to refund the purchase price of the affected component(s). Labor is not included for any warranted product(s). Warranted parts will be shipped to nearest dealer to customer or F.O.B. Lindsay Windows.

IN NO EVENT SHALL LINDSAY WINDOWS' LIABILITY HEREUNDER EXCEED THE AMOUNT PAID TO LINDSAY WINDOWS FOR THE PRODUCT. LABOR AND SHIPPING IS NOT INCLUDED.

LIFETIME GLASS BREAKAGE WARRANTY (OPTIONAL)

For an additional cost, a lifetime glass breakage warranty for DiamondView Windows/doors is available. This optional coverage must be purchased at the time of original purchase and must be for all DiamondView Windows/doors installed in the home. Labor and shipping is not included. This optional coverage is not transferable or assignable. It is also not available on blinds, shapes or special/custom ordered glass.

DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY

THIS WARRANTY IS YOUR EXCLUSIVE REMEDY AND SHALL OPERATE IN LIEU OF ALL OTHER REMEDIES, WARRANTIES, OR GUARANTIES, EXPRESS OR IMPLIED. EXCEPT AS SET FORTH HEREIN, LINDSAY WINDOWS MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING ITS DIAMONDVIEW WINDOWS/DOORS AND EXCLUDES AND DISCLAIMS, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED (INCLUDING ANY WARRANTY WITH RESPECT TO FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, SATISFACTORY QUALITY, OR OTHERWISE). IN NO EVENT SHALL LINDSAY WINDOWS BE LIABLE FOR ANY PERSONAL INJURY; LOST PROFITS; LOSS OF USE; OR PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND, REGARDLESS OF THE NATURE OF THE CLAIM AND WHETHER OR NOT OCCASIONED BY LINDSAY WINDOWS' NEGLIGENCE.

LIMITATIONS AND EXCLUSIONS

Lindsay Windows shall have no liability under this Warranty for:

- Normal wear-and-tear, aging, weathering, corrosion or bugs or insects eating screen mesh;
- Normal maintenance, including but not limited to maintaining sealants, caulks, trim, and flashings that surround or impact the performance of the product(s);
- Damage caused by lack of maintenance, misuse, neglect, or abuse;
- Damage caused by improper installation, accident, fire, flood, explosion, misuse, abuse, vandalism or other external forces;
- Improper handling or storage of windows/doors;
- Products for which Lindsay Windows has not received payment or if windows/doors are over or under the maximum or minimum size listed in Lindsay Windows' price catalog;
- Damage caused by harmful chemicals, unapproved coatings or excess air pollution;
- Wood on jamb extensions or head and seatboards if not properly protected against moisture;
- Condensation on glass which is a natural result of humidity and temperature;
- Minimal glass curvature or minor scratches on glass which do not impair structural or normal visions;
- Alterations and/or modifications of the product and/or its component(s), including but not limited to reinstallation, application of tints and/or films, caulk and paint finishes, and installation of security systems or window coverings.

The limited warranties set forth in this document are the only warranties (written or oral, express or implied) applicable to your DiamondView Windows and doors, and no one is authorized to modify or expand these warranties. All warranty claims must be made during the applicable warranty period.

Painted products applied by Lindsay Windows are limited to a 15-year warranty on exterior paint only and are subject to normal wear and fading. Interior paint is NOT warranted.

Lindsay Windows reserves the right to discontinue or modify any of its products. We may substitute products which we designate to be of equal or comparable quality in the event the product initially installed has been discontinued or modified.

Caulking/silicone is required in most installations. This is not considered as part of our products and is therefore not included in our warranty.

This warranty is applicable only to the DiamondView double/single hung, double/single slider, slide-n-swing, picture window, 3-lite slider, 3-lite slide-n-swing, single/twin casement, awning, non-operable casement, bay and bow windows and 2030 patio door.

Lindsay Windows shall have no warranty obligations whatsoever with respect to any product which has been altered or modified in any manner from the form in which it was delivered by Lindsay Windows. This Warranty does not cover normal or remedial maintenance repairs or damages or defects caused or contributed to by accident, improper use of the product, any cause external to the product or any occurrence beyond our control. Any product misuse, abuse, placement in any application other than in home use or attempt to alter or repair the product other than by Lindsay Windows or a Lindsay Windows authorized service provider shall void this Warranty.

If any sample or model was shown or provided to you by Lindsay Windows or any dealer, contractor, or sales representative (including photographs within any product catalog(s) or promotional literature), such sample, model or photograph was used merely to illustrate the general type and quality of the product and such use is not to be construed as a warranty that the actual product shipped will conform to such sample, model or photograph.

Notwithstanding anything to the contrary in this Warranty, Lindsay Windows shall not be deemed in default by reason of any failure or delay in the performance of any obligation under this Warranty where such failure or delay arises out of any cause beyond the control and without the fault or negligence of Lindsay Windows. Such causes may include, but are not limited to, strikes; riots; war; storms; floods; unusually severe weather; fires; perils of sea; explosions; acts of God; applicable governmental action or regulation which would hinder or prohibit Lindsay Windows from ordering, procuring or furnishing materials, supplies, equipment, labor or services provided for in this Warranty or from performing any aspect of the obligations hereunder (except that this section shall not absolve you of any obligation to pay for a delivered Product); delay in transportation; inability to obtain necessary labor, materials, supplies, equipment, services or manufacturing facilities; and/or the failure of a subcontractor or supplier to perform where such non-performance arises out of causes beyond the control of, and without the fault or negligence of, Lindsay Windows.

CONDENSATION

Condensation or frost on the inside or outside surface of the glass or window does not indicate a defect in the window and is not covered by this warranty. Condensation occurs when warm moist air comes in contact with the colder surface on a window. It is a response to temperature and humidity in the home and is not the fault of the window. Since we use the warmest edge glass spacer, you will have much less (if any) moisture on the inside surface of your glass than a comparable metal spacer.
