

WINDOW AND DOOR CONFIGURATIONS

*Many special shapes are available including circle, arch top, octagon, ellipse, half round, trapezoid, and quarter round.

Lifetime Limited Warranty

Since 1947, Lindsay Windows has offered industry-leading warranties for their products. Now, Lindsay Windows have a lifetime limited warranty that is non-prorated and transferable. The warranty covers everything on the window for as long as you own your home. See warranty information for details and specific limitations and glass.

LINDSAY IS THE RIGHT DECISION

Your new windows should come from a company you can trust – a company with technology, experience, and a track record of satisfied customers. Lindsay Windows has been manufacturing windows since 1947, with state-of-the-art plants located in North Mankato, Minnesota, Union, Missouri and Warrenville, Illinois. When you invest in our windows and doors you will join thousands of satisfied Lindsay customers. WE HOPE YOU WILL BE ANOTHER! Thank you.

Healthy Windows for Life

Your New Windows Should

Saving America's Energy With Lindsay Windows

..... Provide many benefits for you and for your home.

You need to know that the people and the company you select can deliver as promised. A warranty is only as good as the company behind it. Our lifetime warranty is one of the best in the industry.

When Lindsay began manufacturing windows in 1947, quality products made and promises kept were hallmarks of our work. We've grown since then, providing improved designs and advanced product benefits along the way. Today, Lindsay Window & Door does more than just deliver as promised: we make your home a better place to live.

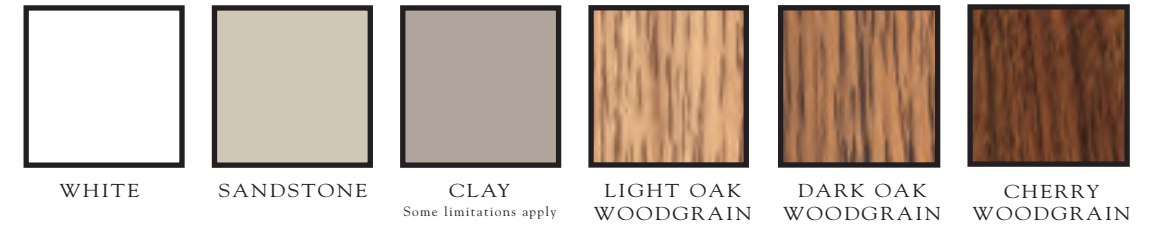

When you have the right company you can choose windows that

Colors For Every Home

YOUR CHOICE OF COLORS

OBSCURE GLASS OPTIONS

Common in bathrooms, the obscure options below show the different effects on the same object. The pictures show a pitcher approximately 2 inches behind the glass. Objects further behind the glass would be more difficult to see.

High-Performance Glazing System

WARM EDGE TECHNOLOGY

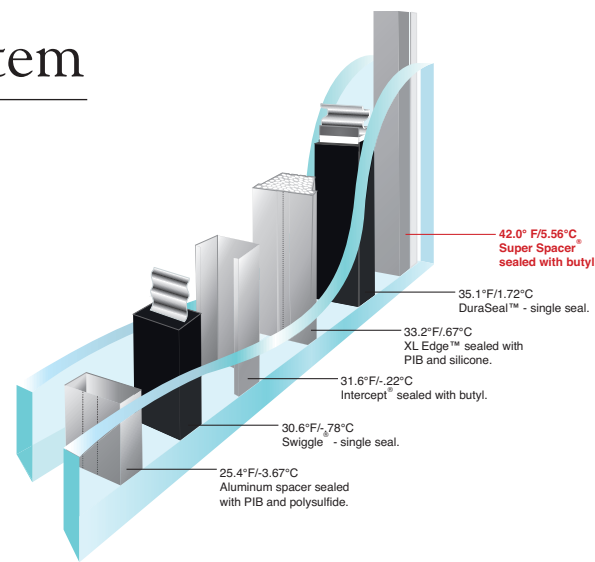

Lindsay Windows uses Super Spacer®, the world's only all-foam, NO-metal edge seal product. Super Spacer® helps keep your home warm in the winter and cool in the summer for maximum energy efficiency. With condensation resistance built in, Super Spacer® helps prevent mold growth. Additional features include maximum argon retention and durability under severe, extreme conditions.

up to

Simulations performed by Enermodal Engineering Ltd. using Window 5.2 and Therm 5.2 as per NFRC100-2001. All air spaces are .500" wide, IGUs are 24" x 48", Low-E glass is Cardinal Low-E2.

Distinctive Grid Styles

All grids are between the glass so they won't get in the way when cleaning the windows. Select a pattern to accent your new windows. The number of grids used in the colonial (standard) and diamond patterns will vary depending on window size. Diamond pattern is available in a flat grid type only. When using flat or sculptured grid types, the color of the grid will match the color of your window.

Windows that almost clean themselves? How Neat is that?

LowE 366 is the ultimate performance glass. It just might make all other low-e glass obsolete. LowE 366 delivers the ideal balance of solar control and high visibility. It provides the highest levels of year-round comfort and energy savings, making it the perfect glass no matter where you live. The secret? An unprecedented 3 layers of silver. For your next windows, go beyond ordinary LowE glass. Choose LowE 366 with neat coating, the new standard.

..... Enhance the Appearance and Value of Your Home.

Double-hung windows provide easy and safe cleaning with tilt-in sashes.

Optional sash vents limit the opening of the window.

Standard foam blocks reduce air infiltration.

DOUBLE-HUNG WINDOW

Make window maintenance a thing of the past. No more sanding, scraping, painting, or putty. In fact, the Lindsay double-hung window features tilt-in sashes for the easiest cleaning ever. Many features are unseen, but enhance the window's performance.

..... Be Easy To Operate With Reliable,
Super-Strength Hardware.

Casements are easy to clean from the inside of your home.

Optional blinds in the IG are available in white, off white, almond, tan, silver and gold.

See our 400 casement series handle/lock color options in the back of this booklet.

C A S E M E N T W I N D O W

The best windows operate with minimal effort using strong, reliable hardware. Lindsay casement windows function smoothly, offer excellent energy efficiency, easy cleaning from the inside, and multi-point locking for increased security.

..... Deliver Trouble-Free
Service For Years To Come.

Optional slide-n-swing provides easy cleaning.
