Reliable, concealed block and tackle sash balancers for easy of operation

Auto lock (Locks Automatically) or optional Self aligning metal Pro latch.

Fixed Window

Fixed windows are used to create dramatic architectural appeal. A number of creative combinations can be achieved using geometric shapes, arch tops, round tops, half circles and full circle designs.

Casement and Awning Windows

Concealed folding handle and low profile hardware

Narrow step-down profile frame.

Exterior Glazed.

Color and Hardware Options

SUPERCAP Exterior colors are 10X harder than paint

Supercap colored doors come with black exterior handles and white or almond interior. Almond and white doors come with matching exterior and three optional interior handle finishes.

Multiple additional color options available in paint

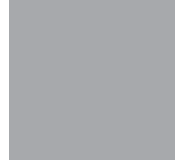

ALMOND

WHITE

BRONZE

METALLIC SILVER

SUPERCAP

EXTERIOR DOOR HANDLE

BRASS ROLLERS

STAINLESS STEEL ROLLERS

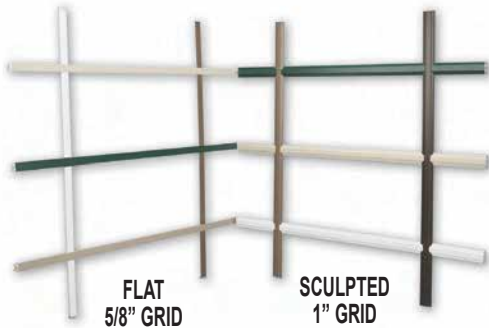

Window Hardware

Unique, contemporary style interior window handle with no exposed screws, ergonomic pull, detent feature and reliable time-tested locking mechanism. Available in white and almond.

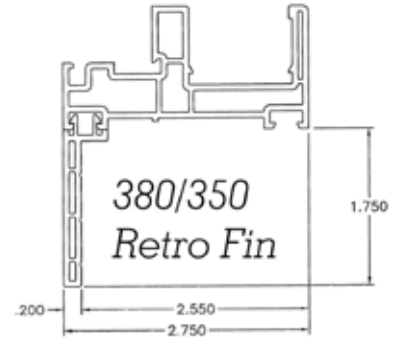

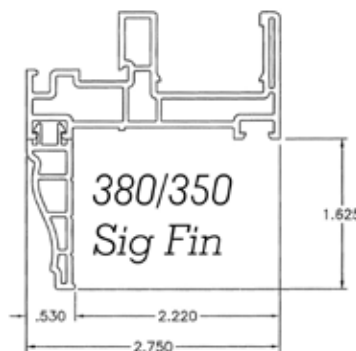

Grid Options

5/8" Flat grids are the standard grid option. For a more traditional look we suggest upgrading to 1" sculpted grids. For even greater detail step up to the beauty of Americana "SDL" (simulated divided lite.) Americana SDL combines the 1" interior sculpted grid with our detailed exterior grid, for a truly authentic wood window look. Lindsay Windows grids are available in standard or custom patterns and colors.

FLAT 5/8" GRID

About Lindsay Windows

Vinyl Windows & Patio Doors

A Tradition of Quality Since 1947

Lindsay Window and Door began over 60 years ago, as a privately held, family-owned company, which it still is today.

Our mission has always been to manufacture the highest quality products utilizing durable materials and advanced manufacturing equipment. We offer multiple product options including proprietary Super Cap color technology and folding doors. Our products have passed stringent field and lab testing, achieving ratings that exceed industry standards. Our products are distributed through a network of qualified dealers.

We consider it a privilege to provide customers with industry leading products.

The Lindsay Mission:

Using the resources that God has entrusted us, our mission is to provide the best quality and value vinyl window products within the time requested. We will use the most effective production processes while providing an excellent working atmosphere for employees and achieving a reasonable profit.

Our Goals:

- To provide the best vinyl window products available
- 100% accurate order entry with acknowledgement within 24 hours
- No freight damage
- No shipping errors
- No quality defects

Thank you for considering our fine line of quality built products. We hope that your experience with our company is one that will give you years of enjoyment. Should you ever need service with your windows, contact your dealer or Lindsay Windows. Please request a copy of the warranty from your local dealer.
