

**NON-BUSINESS ENERGY CREDIT
2022
MANUFACTURER'S CERTIFICATION**

All Lindsay windows and doors manufactured at all locations (MN, MO, IL) purchased with Low-E glass and Argon gas meet or exceed the prescriptive criteria established by the IECC for all climate zones in which the windows or doors are installed. These also meet or exceed ENERGY STAR program requirements (as in effect at the time of installation).

In accordance with the American Taxpayer Relief Act of 2012, 26 USC subsection 25C, Lindsay Window & Door LLC represents that all window and door products are "Eligible Building Envelope Component(s)" that qualify for the federal income tax credit allowed. Refer to IRS Form 5695.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
