PICTURE WINDOW

ARCHITECTURAL SHAPES

- ▶ Circle
- ▶ 1/2 Circle
- ▶ Extended 1/2 Circle
- ▶ Arch
- ▶ Extended Arch
- ▶ Hexagon
- ▶ Octagon
- ▶ Pentagon
- ▶ Triangle
- ▶ Trapezoid

PERFORMANCE

- ▶ Fusion welded frame and sash corners assures strength, durability, and years of trouble-free service in the home.
- ▶ Cam Locks with keepers fastened into reinforcements provide greater security and reduced air infiltration.
- ▶ 3/4" Extruded J-channel; 2-7/8" Jamb; 1-9/16" Behind Fin
- ▶ Dual locks on widths 24" and above.
- ▶ 3/4" insulated glass available with internal soft coat Low-E glass.
- ▶ Integral J-channel eliminates the need for J-channel in most siding applications.
- ▶ Reinforcement in fixed meeting rail is continuous for structural integrity.
- ▶ Positive interlock provides increased security and reduces air infiltration.
- ▶ Tilt-in lower sash for easy cleaning.
- ▶ Strong sill provides elegant look from the outside and decreases the possibility of a bowed sill.
- ▶ Bulb seal at bottom of lower sash provides a tight fit between the sash and frame.
- ▶ Inverted block and tackle balances provide smooth operation.
- ▶ Traditional (WM180) brick mould exterior provides an attractive look on the exterior of the window.
- ▶ Standard 3-0 x 5-0 (35 1/2" x 59 1/2" make size) meets 5.7 square feet of opening (egress for most areas).
- ▶ Extruded sash lift rail for easy operation.
- ▶ 1-1/4" extruded nail-fin with pre-punched holes for installation.
- ▶ Choose from our standard base colors white, sandstone, clay, or our optional black laminate.

Liberty PATIO DOOR

A TRADITION OF QUALITY SINCE 1947

Lindsay Windows began over 75 years ago as a privately held, family-owned company, which it still is today. Our mission has always been to manufacture the highest quality products using materials with advanced manufacturing equipment and procedures.

Our products carry extensive industry certifications and are distributed through a network of qualified dealers. All of our products exceed the current standards for ENERGY STAR compliance and have some of the best ratings in the industry.

Our modern production facilities in Minnesota, Missouri, Illinois, Georgia, Washington and California manufacture vinyl products for energy specific geographical window and door markets. We value our employees and consider every employee a salesperson for our company. It is a privilege to provide you with the finest products that are the best value in the market, with the best energy performance and warranty. Our best testimonies come from our thousands of satisfied customers. **We want you to be one of them.**

Our prices reflect our commitment to craftsmanship, advanced materials and superior performance. We are proudly the third owners of Lindsay Windows for the last 30 plus years.

Thank You
