COMFORT

www.LindsayWindows.com

If you are looking for a vinyl window that offers top-of-the-line style and quality at a price that suits a budget. CrownView Windows are the perfect choice to enhance the appearance of your home while keeping you comfortable. CrownView Windows provide the durability and energy savings you need while offering you the best overall value for years to come.

DISTINCTIVE DESIGN & HARDWARE

SUPERIOR DESIGN

CrownView Windows are engineered to combine style, economy, maximum visibility and design flexibility with energy performance and security. The CrownView Window is an economical choice in the window market that doesn't sacrifice energy performance or quality.

FEATURES THAT MAKE A DIFFERENCE

- Comfort through energy efficient glass and window design
- Reduced outside noise from multiple frame chambers, weatherstip, insulated glass and warm edge spacer
- Strength and durability from fusion welded frame and sash
- ▶ Optional Easy clean sashes that tilt-in on single hung windows
- UV ray reduction and improved energy efficiency from Low-E glass (Use of Low-E glass can help protect your home furnishings from fading) Reduced heating and air conditioning costs
- Condensation reduction from warm edge spacer
- Peace of mind with warranty backed from a window company in business since 1947
- ▶ Better-View screen standard
- Optional glass packages provide additional energy saving benefits
- Optional Constant Force Balances
- Optional positive action lock
- Optional Stucco Fin Available
- Optional Co-Extruded black

ATTRACTIVE

- Maintenance-free interior and exterior surfaces
- Contoured locks provide smooth look and tight fit
- Extruded, curved lift rails look great instead of a flat bulky look

SECURE HARDWARE

CrownView's SecureEZ Hardware combines streamlined lock visuals with the optional tilt feature. It also allows the sash to easily tilt in for cleaning.

Optional Positive Action Lock

Optional Tilt Laches For Easy Cleaning

^{*}Performance numbers shown for dual glazed windows without grids. Manufacturer reserves the right to modify materials that impact ratings. ENERGY STAR criteria is based on the rigorous Northern climate zone.

^{**} Meets Northern Energy Star Standard with different option in windows. Check with your dealer for further information.

ENERGY STAR 7.0 (EFFECTIVE OCTOBER 2023)

All Lindsay Windows locations have Energy Star packages available, qualifying you to obtain any government, Energy Star or local utility tax credit for a rebate.

For more information, please visit www.energystar.gov/about/federal_tax_credits

These glass packages currently meet Energy Star 7.0 requirements. We still offer all the previously offered glass packages including **LoĒ-366**™ and **LoĒ-270**™.

Available Glass Options

Outside of House

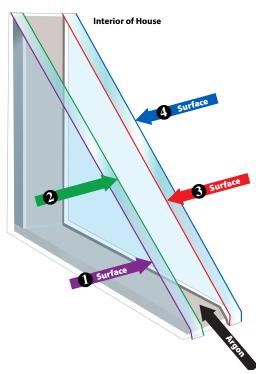

Surface #2:

- **+ 180**
 - 1 Layer of Silver 80% Visible Light
- **+ 270/272**
 - 2 Layers of Silver 70% Visible Light
- **◆ 366**
 - 3 Layers of Silver 66% Visible Light

U-Value

 Optimal energy retention is achieved with the lowest number. This measures inside temperatures from escaping to the outside.

Surface #4:

i89™

- ♦ Hard Indium reflective coating
- ◆ Appears clear
- ♦ 89% Visible light
- Positioned on the inner surface of the home's glass, promptly reflecting energy back into the living space.

Surface #3:

Natural / Clear

Solar Heat Gain Co-Efficient

- ◆ For the Southern region, a lower number is preferable regarding heat entering into the home.
- ◆ For the Northern region, a higher number allows heat to enter into the home which reduces heating costs.

GRIDS

Enhance the look of your home with distinctive grid styles. All grids are between the glass-making cleaning easy. Simply choose a grid pattern and type below to accent your new windows or design your own grid pattern.

GRID SIZES

WHITE

COLOR CHOICES

Many color are available. Choose from same exterior paint coatings. Warranty covers exterior paints. See warranty for details. Actual colors may vary from those shown. Custom paint colors available.

EXTERIOR/INTERIOR COLORS

SANDSTONE

BLACK/BLACK BLACK/WHITE

EXTERIOR/INTERIOR PAINT COATINGS

OBSCURE GLASS

Obscure glass is commonly used in bathrooms to distort the image behind the glass. Choose from these options.

TEMPERED GLASS

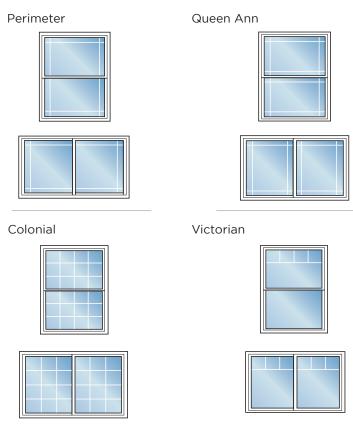

REED

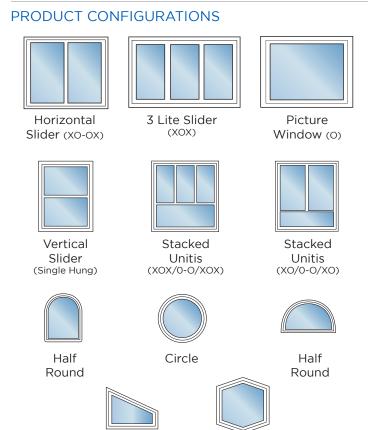

Often required in bathrooms, stairways and windows close to the floor or a doorway, tempered glass is similar to a car windshield so it will not shatter if broken. Check your local building code for any windows requiring tempered glass.

LIFETIME PLUS

RESIDENTIAL WARRANTY

Lindsay Windows guarantees it will repair or replace Lindsay Windows vinyl window products that are defective in materials or workmanship for lifetime to the original homeowner, including parts and labor; insulated glass units are covered for materials only. All Lindsay Windows products shall be free of defects or Lindsay Windows, at its sole discretion, shall repair, replace, or refund the original purchase price of the affected item. There are no warranties or implied warranties that extend beyond the description hereof. This warranty is subject to the following terms and conditions:

CONDITIONS AND TERMS OF WARRANTY

- 1) The Lifetime Plus Residential Warranty applies only to the original registered homeowner at the location where the product was originally installed, in the state of Washington, within the designated local delivery area of Lindsay Windows (King, Kitsap, Pierce, Snohomish, and Thurston counties.) In the event the original purchaser sells the property in which the windows or doors are installed, the coverage provided by this warranty will be extended to the new owner but limited to a period of five years from the date the registered homeowner transfers ownership.
- 2) Transfer of the warranty must be registered within 30 days of ownership transfer.
- 3) All products must be paid in full and in a timely manner in order to qualify under the conditions of the warranty. The warranty must be registered within 30 days of installation.

- 4) To obtain service under this warranty, contact Lindsay Windows. All claims must be submitted, with proof of purchase and building ownership.
- 5) Lindsay Windows warrants the product only, not installation and any consequential damages.

 Unless specified otherwise, Lindsay Windows shall not assume liability for glass breakage or damage caused by improper installation, vandalism, misuse, abuse, or acts of nature including but not limited to fire, earthquake, flood, or any catastrophic occurrence beyond the control of the manufacturer.
- 6) Window screen and door screen warranty coverage will be limited to a period of 30 days from product delivery.
